Bulletin of the Torrey Botanical Club 123(4), 1996, pp. 374–378

INDEX TO VOLUME 123, 1996

A comparison of growth efficiency of plants on the east and west sides of a forest canopy gap, 240
A manual of California vegetation (reviewed book), 250
AARSSEN, LONNIE W., cost of apical dominance in pine, 268
Abies fraseri, 318
Abies lasiocarpa, 206
Acer platanoides, 197
Acer saccharum, 197
Acer, seedling establishment and mortality, 309; in western Maryland forests, 350
Aegialitis, wood anatomy of, 135
agriculture, effects on forest pollen rain, 223
Alisma subcordatum, 48
Alliaria petiolata, breeding system in, 273
ALLISON, TABER D., reproduction in *Taxus,* 7
allozymes, in *Lemna,* 1; in *Vaccinium,* 41
Amaranthus cannabinus, 48
Ambrosia trifida, 48
Amphianthus pusillus, 189
An allozyme study of two sibling species of *Lemna* (Lemnaceae) with comments on their morphology, ecology, and distribution, 1
anatomy, of Plumbaginaceae wood, 135; of leaf and stem of *Saruma,* 261
ANDERSON, DENNIS S., sedge ecology in Maine peatlands, 100
Anderson, Karl H. (author of reviewed book), 251
annual grass, 25
apical dominance in white pine, 268
Arabis fecunda, in competition with *Centaurea maculosa,* 111
architecture in trees, 268
Aristolochiaceae (*Saruma*), 261
Asclepias subulata, 180; *Asclepias syriaca,* 68
aspect, effect on growth efficiency, 240
Atlas of the orchids of Long Island, New York, 157
Australian vegetation, second edition (reviewed book), 169

BAKER, WILLIAM L., radial growth in the forest-tundra ecotone, 206
Balick, Michael J. (editor of reviewed book), 253; (author of reviewed book), 366
BARDEN, LAWRENCE S., linear relation between yield and integrated light in a shade-adapted annual grass, 122; growth efficiency of plants on the east and west sides of a forest canopy gap, 240
BARNABY, RUPERT C., book review, 71
barrens, on Pocono plateau glacial till, 330
BARRINGER, KERRY, book review, 249
Betula alleghaniensis, 318
Bidens laevis, 48
biodiversity of orchids, Long Island, New York, 157
biological invasion, of Norway maple, 197
biomass, and nitrogen pools in a spruce-fir forest, 318; of grasses affected by phosphate and soil pH, 93
BOERNER, RALPH E. J., ten years of tree seedling establishment and mortality, 309
BOGGS, COLBY J., wood anatomy of Plumbaginaceae, 135
Botany in India: History and progress, Volume II (reviewed book), 367
BOWERS, JANICE E., more flowers or more cladodes in Opuntia? 34
BOYD, ROBERT S., microsite requirements in *Amphianthus pusillus,* 189
breeding system, in *Asclepias,* 180; of *Alliaria petiolata* (Brassicaceae), 273
BREWER, J. STEPHEN, fire-generated gaps and growth and reproduction of *Pityopsis graminifolia,* 295
BRINKMAN, JENNIFER A., ten years of tree seedling establishment and mortality, 309
Brown, Anthony H. D. (author of reviewed book), 251
brownseed paspalum, 93
BRUEDERLE, LEO P., genetic variation in *Vaccinium macrocarpon,* 41
bryophyte ecology, 16
BUONOPANE, MICHELLE, reproduction in *Taxus,* 7
burning, prescribed, in oak savannas, 304
Burton, Jeremy J. (author of reviewed book), 251

CAMPBELL, CHRISTOPHER S., sedge ecology in Maine peatlands, 100
canopy gap, growth efficiency of plants on the east and west sides, 240
canopy gaps, and pollinator visitation in *Impatiens,* 184; and recruitment of *Clethra alnifolia,* 286
canopy openness, and distribution of *Viola blanda,* 281
Carex lurida, 48
Carex, in Maine peatlands, 100

Sonoran Desert prickly pear cactus, 34
South Carolina, common milkweed in, 68
Spatial variability of radial growth in the forest-tundra ecotone of Rocky Mountain National Park, Colorado, 206
spatial variation in radial growth, 206
species coexistence, 16
spruce-fir forests, vegetation, biomass and nitrogen pools in, 318
stem anatomy of *Saruma henryi*, 261
Stem and leaf anatomy of *Saruma henryi* Oliv., including observations on raylesness in Aristolochiaceae, 261
stem diameter, in multi-stemmed vs. single-stemmed trees, 268
stem volume in trees, 268
STRENG, DONNA R., fire-generated gaps and growth and reproduction of *Pityopsis graminifolia*, 295
STRUWE, LENA, book review, 71
STYLES, EDMUND W., pollinator visitation in *Impatiens*, 184
succession, after agriculture, 223
swallowworts, 148
systematic wood anatomy, 135
tannin in leaves; variation in oaks related to aspect, 243

Taxus canadensis, 7
Ten years of tree seedling establishment and mortality in an Ohio deciduous forest complex, 309
TESTER, JOHN R., effect of fire frequency on oak savanna species, 304
The breeding system of desert milkweed, *Asclepias subulata*, 180
The conservation of plant biodiversity (reviewed book), 251
The cost of apical dominance in white pine (*Pinus strobus* L.): Growth in multi-stemmed versus single stemmed trees, 268
The distribution and status of *Vincetoxicum* in eastern North America, 148
The ecology of sedges (Cyperaceae) in Maine peatlands, 100
The European garden flora: A manual for the identification of plants cultivated in Europe both out-of-doors and under glass, Vol. 4, Dicotyledons (Part II) Dilleniaceae to Krameriaceae (reviewed book), 71
The linear relation between stand yield and integrated light in a shade-adapted annual grass, 122
The Pocono till barrens: shrub savanna persisting on soils favoring forest, 330
The relationship between open space and fire for species in a xeric Florida shrubland, 81
THOMPSON, JOHN E., the Pocono till barrens: shrub savanna persisting on soils favoring forest, 330
tidal freshwater wetland, 48
tobacco, effects of its cultivation on forest pollen rain, 223
Triplasis purpurea, 25
Tropical forests: Management and ecology (reviewed book), 168
Troyer, James B. (author of reviewed book), 72
TUCKER, ARTHUR O., book review, 253

Ulmus, seedling establishment and mortality, 309
Understory influence on the invasive Norway maple (*Acer platanoides*), 197

Vaccinium macrocarpon, 41
Vaccinium, genetic identity in, 41; in Pocono till barrens, 330
VAN AUKEN, O. W., effects of phosphate and soil pH on growth of grasses, 93
vapor pressure deficit, on either side of a canopy gap, 240
Vascular plants of Russia and adjacent states (the former USSR) (reviewed book), 71
Vegetation in eastern North America (reviewed book), 171
vegetation of the Great Smoky Mountains National Park, 318; of western Maryland, 350
Vegetation, biomass, and nitrogen pools in a spruce-fir forest of the Great Smoky Mountains National Park, 318
Vincetoxicum, distribution and status of in North America, 148
Viola blanda, within-habitat distribution, 281
VORSA, NICHOLI, genetic variation in *Vaccinium macrocarpon*, 41

WALTERS, BRADLEY B., pollinator visitation in *Impatiens*, 184
WARE, STEWART, book review, 171
WEBB, SARA L., understory influence on the invasive Norway maple, 197
Weed seeds of the Great Plains: A handbook for identification (reviewed book), 73
WEISBERG, PETER J., radial growth in the forest-tundra ecotone, 206
wetland forest, recruitment of *Clethra* in, 286
WIBIRALSKE, ANNE W., the Pocono till barrens: shrub savanna persisting on soils favoring forest, 330
WIJESUNDARA, SIRIL, book review, 367
WILSON, PAUL, reproduction in *Taxus*, 7
within-habitat variation in canopy openness, soil phosphorus, and magnesium, and distribution of *Viola blanda*, 281
Wood anatomy of Plumbaginaceae, 135
wood anatomy, Aristolochiaceae, 261
WYATT, ROBERT W., southward spread of common milkweed, 68; breeding system of desert milkweed, 180
WYCKOFF, PETER H., understory influence on the invasive Norway maple, 197

xenogamy, facultative, in *Alliaria petiolata*, 273

YOUNG, CRAIG G., gap size in bryophyte communities, 16
